Furniture / Accessories for Garment Export House

ANAND FURNISHERS PVT. LTD.

Operator Stools & Chairs

ANAND FURNISHERS PVT. LTD.

Anand Furnishers is the first and leading company in developing, manufacturing and supplying to garment factories the requisite, economical and most suitable furniture items. It came in existence in February 1980. During this span of 31 years it has grown as a reputed organisation capable of undertaking projects on turnkey basis.

We have a team of Architects, Interior Designers, Production Managers & Production Supervisors with skilled Labour to meet any demand big or small in a short span of time at very acceptable rates. This company is being run by a highly qualified experienced technocrat Director Mr. Satnam Singh Anand. Our marketing team is headed by another young and energetic Director Mr. Gobind J.S. Anand, who have created a benchmark in the industry of garment exporters.

We have clientele all over the country. We work to the utmost satisfaction of our customers and even provide satisfactory after sales services. We are on panel of most of the leading companies and export houses.

We have a wide range of products as detailed below:
